

Hope Fades For Improving Fish Ponds At Tahoe

Nimbus Slated to Obtain Pond Once Approved For Tahoe

Despite previous commitments, the possibility of expanding the Tahoe State Fish Hatchery, a project strongly urged by local sportsmen's organizations and individuals, appears to be a lost cause.

Information received this week by the Sierra Sun from the Capitol News Service at Sacramento indicates the original plan for developing the Tahoe project has been pitted against a hatchery at Nimbus near Folsom.

With the development at Folsom Dam, the fish and game commission now proposes to install a hatchery some place around Nimbus and abandon the Tahoe project, the report said.

This was discussed at a recent meeting of the Wild Life Conservation Board, which has the spending of money for capital outlays.

The report said in part:

"We are advised by department of fish and game that it made a recommendation for the Nimbus site in preference to Tahoe, on grounds that it would be necessary to pump water at the lake, whereas gravity flow would be available at Nimbus and that the cost of trucking feed to Tahoe would be a great deal more than from the railroad at Nimbus.

"The final decision, however, has not been made, as negotiations are under way with the federal bureau of reclamation for the site, and, also, the senate members of the conservation board were not present when the matter was discussed."

PETITION SEEKING TAHOE FIRE AREA FILED IN AUBURN

AUBURN—The petition to form a North Tahoe Fire Protection District, presented by P. M. Burroughs of Tahoe Vista, was referred to the county boundary commission with a request a report be prepared for presentation November 10.

The petition was verified by the county clerk. Burroughs stated the area affected is on the north and east side of Lake Tahoe. He asked the supervisors for speedy action so an election could be called in time to provide protection by May 1, 1953, if the issue receives support of the voters.

Two public hearings before the supervisors will be necessary before the district can be formed.

The board also referred to the county planning commission a request for abandonment of a street in the Tahoe Vista subdivision and asked the planning commission to study reported pollution of the Yuba River by Nevada County interests to ascertain if state action is necessary to secure a remedy.

WILLIAM JOHNSTON LEFT LARGE ESTATE

William Charles Johnston, who died August 9 at Homewood, left an estate of approximately \$224,815.00, according to a petition for probate filed in the Washoe County (Reno) district court yesterday by his widow, Viola Grace Johnston.

The petition said the estate consisted of \$124,815.00 in cash and checks and a residence at Reno. Mrs. Johnston is to receive the entire estate under terms of the will.

N. F. Dolley Honored At Birthday Party

N. F. Dolley was guest of honor at a birthday party given by Mrs. Dolley at their home Saturday evening, attended by more than 25 friends of the well known local man. A buffet supper was served.

R. N. Littles Feted On Date of Wedding

Mr. and Mrs. R. N. Little were surprised by 35 friends on Saturday evening, honoring the couple on their wedding date.

A buffet supper was followed by the presentation of a gift by V. C. Shattuck in behalf of their friends. Cards were a diversion of the pleasant affair.

Young Courtney Lewis Is Injured in Tumble

Courtney, 4 years old son of Mr. and Mrs. Gerald Lewis of Donner Lake, fell from a dump truck while visiting relatives at Reno, breaking his right arm. Adding a light touch to the injury are autographs and pictures from friends, inscribed on the cast.

Rescue Truck Near Ready As Facilities Added

Fire Chief N. F. Dolley this week announced the new rescue truck, sponsored by the fire department and designed for use anywhere in the area, is now nearing completion.

A few additional first aid and rescue facilities are to be added, Dolley said, but at present the vehicle is equipped with a power unit to provide flood lighting, first aid cases, collapsible beds, hoists, grappling hooks, a 7-man raft, stretchers, a cook stove and cooking facilities, groceries, tools and other apparatus which might be needed in rescue work.

A \$50 donation from the Salvation Army welfare fund, presented this week, added to the money required to finance the vehicle. Other similar donations were previously acknowledged and still others have been pledged, Dolley said.

The truck is constantly manned and ready for any call where it may serve to save life or property.

WILL GO ON TRIAL FOR BURGLARY IN HIGHER COURT

Witnesses are being summoned to present evidence in the superior court trial of Earl Able, 35, and Albin Anderson, 40, accused of illegal entry of the Standard Oil Company's service station here on August 24. The two, arrested at the scene of the alleged crime by Deputy Sheriff Roy Waters and State Patrolman Carroll Maynard, entered pleas of not guilty.

Able and Anderson were apprehended after a passing motorist who had stopped his car across the street from the station heard a commotion and went to the nearby Shell station where Verne Hocker was working. Hocker went to the Standard station where he engaged one of the men there in a tussle until Waters and Maynard arrived, the officers reported.

JOE JOERGER WILL BE CAREFUL WITH AID IN THE FUTURE

Next time Joe Joerger, Truckee and Clarksville cattleman, is called upon to prove his Good Samaritan character, he will give the matter a second thought.

When three convicts broke from Folsom last week, they headed for the Joerger ranch where they asked for gasoline. The rancher was pouring it for them when a friend, C. E. Bowerman, arrived. Joerger was going to take the three men to their stalled car with the gas but Bowerman agreed to substitute. He was later kidnapped and forced to take the trio to Placerville, where they were later captured.

From now on, Joerger said, he will leave gasoline in a can where motorists can help themselves but he will not leave the house. This was seconded by Mrs. Joerger.

GAME VIOLATOR PAYS \$100 FINE

Mox Stark of Oakland paid \$100 in the court of Judge F. W. Wilson on a charge of making a false statement of residence last year to secure a resident's hunting license.

The local warrant was served on him after Game Warden Tom Borneman recognized the name and description in a metropolitan newspaper on another matter, after the former Nevada man failed to appear in answer to a citation last fall.

Changes Are Made In State Park Personnel

Ranger Roger Stinchfield of Bliss State Park at Tahoe has been transferred to Donner State Park to replace William Flohr, who successfully passed a recent examination and is now a qualified equipment operator for the department.

Mr. and Mrs. Flohr and son, William, are leaving for Columbia where they plan to make their home. The Stinchfields, who have three daughters in the local schools, will make their home here.

County Without School Head As Battle Is Waged

Board Deadlocked as Three Candidates Seek Office

Until October 16 at least Nevada County will be without a superintendent of schools. A special meeting is called for that date to iron out the controversial issue.

The board of supervisors Tuesday stood deadlocked on the three applicants who have filed their petitions to succeed the late Walter Carlson.

Chairman H. G. Loehr declined to vote, pointing out that a decision on the matter should come from those affected and since most of his district is under the Placer County superintendent of schools' jurisdiction, he felt he is not qualified to make the ultimate decision.

Applicants for the position are Lee Ross, William Bruce McClard and Miss Genevieve Kent. The resignation of Mrs. Doris Foley, originally appointed to succeed Carlson, was accepted by the board when it was revealed she did not have the required credentials.

Ross, in his application, said he had been 19 years in the public schools, including five in Nevada County.

McClard's application stated he is a graduate of Chico State College with years of school experience and a life credential in administration.

Miss Kent's application set forth a record as an educator in the county dating back to 1905, having served as principal of eight elementary schools in the western end of the county. She had an administrative credential, earned by taking summer courses at colleges.

R. E. Deebie, clerk of the board of supervisors, said that credentials of all applicants met the requirements.

At the time of the appointment of Mrs. Foley on September 26, the board acted with assurances from the state department of education and District Attorney Vernon Stoll that she could be issued emergency credentials until she completed requirements of two additional college credits next January. After the board acted, the state credentials committee failed to issue the necessary credentials and the matter was turned back to the supervisors.

Girl Fractures Arm On School Ground

Sandra Rockwell, 11, daughter of Mr. and Mrs. Richard Skinner of Truckee, is nursing a fractured right arm which she suffered in a fall on the playground at the Truckee elementary school. The child was swinging on a "merry-go-round" when she slipped and fell to the pavement last Thursday. She was taken to the Tahoe Forest Hospital for treatment.

Mrs. Chet Burns Feted At Local Shower Party

Mrs. Chet Burns was the feted guest at the regular meeting of the Monday evening card club which met in the home of Mrs. Cliff Ellis, with Mrs. Jack Ellis as co-hostess of the affair. The guest of honor was presented with a shower of gifts.

The refreshment table was decorated with twin bassinets holding baby dolls and individual favors in pink, blue and yellow. Games were a diversion of the evening. Those present included Mesdames Lauren Russell, Al Wakefield, Paul Archer, Ken Foster, Jack Neugebauer, Ken Hedlund, Lloyd Everett, Karl Kiehler and Ken Grayson, the latter from Reno.

Sun Beams

by Walter M. Barrett

Under the title of "Lindsay's Pipe Dream," the Sonora Union Democrat puts its finger on a subject of considerable interest in this district, as follows:

We couldn't, and probably a lot of Nevada readers of the Reno Gazette couldn't either, believe their eyes and ears when our district's Assemblyman Francis C. Lindsay told a meeting of Nevada water experts over there the other day he was proposing a tunnel in Lake Tahoe to drain some of the water from the Gem of the Sierra into his "Paper American River Project."

Assemblyman Lindsay told his audience a tunnel about 12 miles long into the lake would drain it into the Rubicon River and thus into the American. Presently, Lake Tahoe drains naturally into the Truckee River, which is one of the few rivers going into Nevada and which supplies irrigation in the Reno area and for one of Nevada's richest agricultural areas around Fallon.

The Reno newspaper expressed the hope that Lindsay's plan was nothing more "than a pipe dream" and offered the opinion that there already was enough tinkering with level of Tahoe at the present time.

It is our candid opinion Lindsay is going pretty far afield to tinker with Lake Tahoe when there are a lot less magnificent projects throughout his district that need attention.

SODA SPRINGS MAN HELD FOR AUTO DEATH IN VALLEY

Hector Martinez of Soda Springs is being held on a manslaughter charge in Woodland as a result of an automobile collision south of Zamora, Yolo County, Sunday night in which Juan Serbin of North Sacramento was killed and seven persons injured.

The California Highway Patrol reported Martinez was passing a truck when his vehicle collided head-on with one driven by Mrs. Fannie Thorne of Lake County. Martinez was treated for injuries.

FIRE IN TRAILER ENDS HUNT TRIP OF BAY AREA TRIO

A Nevada hunting trip by three San Francisco men was brought to a stop near the Flycasters club Saturday morning when a fire broke out in the trailer behind their car.

State Patrolman William Gautsche said the car and trailer were proceeding east when the driver noticed smoke and flames arising from the trailer. He stopped and the occupants managed to pull a box of ammunition from the burning load, thus avoiding more serious damage.

Their clothing, food supplies, guns and other camping equipment went up in flames.

The forest service responded with the suppression crew preventing a spread of the blaze.

DR. NELSON WILL NOT LEAVE SOON; SIGNS WITH NAVY

Dr. L. D. Nelson last week successfully passed all requirements for entrance into the naval reserve but emphasized the fact that he will probably not be called into service for several months. A notice of at least 60 days will precede his leaving here, he advised.

The local medico is subject to the draft as the tempo has been stepped up for the induction of doctors and dentists during the next few weeks. In order to enter the branch of service he preferred, Dr. Nelson made application in the naval reserve with assurance that he would be granted a rank fitting his training and experience.

His patients are being advised that he will be given ample notice before leaving.

Anniversary Time
Mr. and Mrs. E. L. Loynd will observe their wedding anniversary tomorrow, October 10.

Couple Escape As Car Plunges Down Precipice

Woman Hurt in Second Car Accident Near Flycasters

Only minor injuries were reported as a result of two spectacular automobile accidents in this area during the past week.

Burrell Hicks, 24, and his wife, Lorraine, 26, both of Walnut Creek, experienced a narrow brush with death Sunday night at 10:30 o'clock when their car plunged 200 feet off Donner Grade only seconds after they leaped to safety.

Hicks told State Patrolmen Carroll Maynard and Martin Sturcke that he was forced to pull his car too far to the right by a second car on the wrong side of the highway just east of the summit. He brought the car to a stop as it tottered on the brink of the almost perpendicular cliff. Hicks felt the car rock and seizing his wife, they leaped from the vehicle just as it fell, striking on the rocks and plunging end over end for 200 feet.

The patrolmen spent two hours searching for bodies before they learned the car's occupants had secured a ride to Truckee. The 1952 model car was demolished.

Woman Hurt
Mrs. Lillian Thomas of Oakland suffered neck injuries Saturday morning when the car driven by her husband, Edward, was struck in the rear by a truck driven by Billy D. Smith of Houston, Texas, near the Flycasters Curve. Thomas was forced to stop when a car immediately in front stopped on the pavement while the occupants traded seats.

A six months old baby held in the lap of Mrs. Thomas was not injured.

HARRY LOYND IS SUBJECT OF STORY IN FORBES BOOK

Covering the entire front page of Forbes's Business and Fortune magazine for September 15 is a pleasing likeness of Harry Loynd, brother of E. L. and W. A. Loynd of Truckee and president of Parke Davis Company, world's largest wholesale drug firm.

A feature article in the magazine tells of the rapid growth and development of the company under Loynd's dynamic direction.

Loynd wrote his brothers this week to cancel an opening day duck hunting engagement, explaining that an important business deal in London, England, requires his attention and that he was flying there on the 10th. Although lamenting the fact he will be unable to hunt with his brothers and Truckee friends, he found some solace in the invitation he has received to shoot partridge and quail on a Scotland estate, thus being able to keep in practice until he can reach here in the future.

STOCKTON MAN TO OPERATE STATION

Henry deFluiter of Stockton has arrived here and is taking over the Associated Y Service Station at the Tahoe-Truckee wye, just west of Truckee and almost directly opposite the new state quarantine station. The newcomer is purchasing the stock and equipment from Charles V. Osburn who has operated the station for the past year.

Osburn will devote his full interest to his Associated Station on Commercial Row here.

deFluiter is an experienced service station man having operated similar establishments in the vicinity of Stockton for several years. He will maintain a complete automotive service at the Y station.

ON VACATION

Jack Tuohy, clerk at the highway patrol office here, is on vacation until October 27 and no driver's license will be issued here until he returns.

Improved
Mrs. Muriel Frey has left the Tahoe Forest Hospital, following treatment for a throat ailment.

Fire Prevention Program Urged By Local Chief

Although no special observance is contemplated, Fire Chief N. F. Dolley this week is calling attention to the fact that Fire Prevention Week is observed from October 5 through 11.

The chief urges all home and business owners to take this time to make a thorough checkup of fire hazards and eliminate every known danger. Electric wiring, flues, stoves, rubbish - jammed outbuildings and attics should all come in for inspection and correction. Particular emphasis should be placed on fuel supply sources, such as oil and gas tanks and lines to avoid possible leaks, the fire official warned.

"Fires start from such a variety of sources that it is difficult to discover all sources," Dolley declared. "It is of the utmost importance therefore that the common causes be eliminated if the rising losses are to be stopped."

Members of the Truckee Volunteer Fire Department will be glad to assist in pointing out and eliminating fire hazards, Dolley declared.

20-30 CLUB WILL DECORATE TOWN FOR YULE SEASON

The Truckee 20-30 Club will assume the physical responsibility for seeing that the town is appropriately decorated for the Christmas holidays. The chamber of commerce will handle the necessary financial details.

Also announced at last night's meeting was the ladies night party for members and guests on Saturday night at The Sportsman. Following dinner, there will be music for dancing.

Vice President Bill Frey presided in the absence of Harvey Hocker, who was visiting the Tonopah 20-30 in his capacity as 20-30 district governor.

FLYCASTERS HOSTS TO TRUCKEE MEN AT CLUB DINNER

C. Bates Young, president of the San Francisco Flycasters Club, with Vice President August Thaler and John Ritter, last Thursday were hosts at an enjoyable dinner party given at the club house five miles east of here to which a group of Truckee businessmen and sportsmen were guests.

The excellent repast, prepared and served by Mesdames Maude Gaffield and Susan Copeland, followed serving of cocktails in the spacious living room of the club. During and after the dinner problems of mutual interest were discussed, including the proposed construction of a huge reclamation project on the Truckee River which threatens fish life in the stream.

The club members and local residents pledged support of any workable plan to prevent destruction of fish by the project.

Beside the club members those attending included Nat Quilici, H. G. Loehr, Charles Osburn, Reginald Smart, William Curran, Doug Barrett, Tom Borneman, A. Pace, Johnny Ciardella, Frank Gaiennie, Angelo Besio, N. F. Dolley, Fosten Wilson, Walter M. Barrett, R. N. Little, Earl Stice and F. J. McDermott, the latter an official of the state fish and game department.

SAUNDERS NAMED ON LOCAL BOARD

R. E. Saunders, who has succeeded R. A. Scott as manager of the Bank of America branch at Truckee, now has succeeded him also as a trustee of the Truckee Cemetery District.

The board of supervisors this week accepted the resignation of Scott, who has been transferred to Chowchilla, and appointed Saunders, who came to Truckee from Alturas. Saunders was recommended by the other two trustees of the cemetery district, F. A. Titus and William Englehart Sr.

Buck Stew Will Attract Crowds Here On Sunday

Sportsmen Prepare For Big Event of Year On Sunday

Sunday will be Buck Stew Day in Truckee.

On that day Capitol Hill will be jam-packed with participants in the outstanding annual event of the Truckee Outdoor Sportsmen. Everyone, young and old, is invited to come and enjoy the free feast of venison stew and accessories.

The program is being arranged by the committees working under the direction of President Johnny Ciardella and Vice President Charles V. Osburn.

The affair is scheduled to start at 2 p.m. with accommodations being prepared for hundreds of guests. Mrs. Julia Ciardella will preside over the kettle which will be started to simmer Saturday night. There will be more than enough stew for ample helpings and seconds will be in order with a corps of K.P.'s on hand to handle the chow line.

Local merchants have donated a variety of gifts which will be presented during the afternoon, with an automatic shotgun heading the list for some fortunate sportsman.

To put the final touches on the program, members of the Sportsmen will meet tomorrow night at Capitol Hill, Mrs. Hazel Roberts, secretary, announced.

GEORGE FINNEGAN, PIONEER TRUCKEE EDUCATOR, PASSES

George W. Finnegan, Truckee pioneer and still well remembered here, died Tuesday in a San Francisco hospital at the age of 81.

A native of Vermont, he spent the early part of his life in Truckee where he taught school and practiced law. He was married in 1902 in Nevada City, practiced law in the county seat and served as postmaster there. In 1913 he was a member of the state legislature.

About 25 years ago he moved to San Francisco and served as an assistant federal attorney. Later he served as principal of a San Francisco night school, retiring in 1941.

Surviving are a daughter, Mrs. John B. Norcove, San Mateo; two sons, George B. Finnegan of New York and Frank G. Finnegan, Sacramento; two sisters, Mrs. Ed Kaler and Mrs. Ruth Wallace, both of Sacramento; two brothers, Leo Finnegan, Sacramento, and Carroll Finnegan, Berkeley; seven grandchildren and one great-grandson.

Rosary will be held at 8 tonight at McAvoy and O'Hara Funeral Parlor, San Francisco. Requiem Mass will be at 9 a.m. Friday at St. Bridget's Church, San Francisco. Graveside rites will be held at 3 p.m. Friday at the Nevada City Catholic Cemetery, Father William Daly officiating.

THIMBLE CLUB HOLDS MEETING

The Thimble Club met at the home of Mrs. Alice Mayer Tuesday evening and after a short business meeting games were enjoyed and delicious refreshments served by Mrs. Mayer and Mrs. Pearl Heller.

Mrs. Ruth Campbell, an active member of the club, will leave soon to make her home in Lodi.

A beautiful hand-hooked rug was donated by Mrs. Muriel Frey to add to the club's project. Meetings will continue the first Tuesday each month and visitors are welcomed.

Former Truckee Man Expired at San Jose

Local friends have belatedly learned of the death of Thomas H. Armstrong in July at San Jose. Armstrong, with Mrs. Armstrong, was a former Truckee resident and well known in this vicinity. He is survived by his wife, Alice, children and grandchildren.

COMPLETE WORK ON HUGE RADIO TOWER

Workmen yesterday completed installation of a new 75-foot steel radio tower at the west end of the Southern Pacific depot to provide an aerial for the radio-telephone system being installed on trains and snow equipment operating over Donner Summit.

Eventually, the new system will permit constant communication between trainmen and officials and between various trains. It is expected to eliminate tieups of traffic due to storms and will give constant contact between all units and stations.

TAHOE TAVERN CO.
ASKS FOR CHANGE
OF VENUE IN SUIT

AUBURN— The Tahoe Tavern Resort Company, which operates the Tahoe Tavern at Lake Tahoe, has asked a change of venue to San Francisco in a \$225,000 damage action filed against it and Percy Bacharach, a guest, by two waitresses employed at the resort last summer.

Affidavits filed with the county clerk here contend the bay city is the principal place of business of the company, headed by Albert Ichelson. Affidavits also were filed for a change of venue by Bacharach and by Alfred E. Brune, an employee of the resort company.

The waitresses, Jeanette Hayes and Martha L. Derschon, charged Brune and Bacharach entered their room illegally and without a search warrant on August 12 to look for a snuff box lost by the Bacharach family at the hotel.

They contend they were damaged \$75,000 by the inferential accusation of theft. They seek another \$150,000 because of asserted inability to obtain employment as waitresses since, they say, allegations against them became common knowledge in and about Tahoe City.

NORTH TAHOE

by THELMA BURROUGHS

When Airman First Class Richard I. Astle returned to his duties with the Air Force at Great Falls, Montana, he was accompanied by his bride of a week. The former Constance Wallner became Mrs. Astle in a quiet ceremony in the Lutheran Church at Reno on October 2, the Rev. Schroeder officiating at the double ring rites. Dick is the son of Mr. and Mrs. Ivan Astle, recent Kings Beachers who now live at Fair Oaks. He graduated from the old Tahoe branch of Placer high school and since joining the Air Force had been stationed in northern Alaska.

His bride is the daughter of Mr. and Mrs. Julius Wallner of Reno. On Friday, October 3, Mr. and Mrs. R. Critchley Sr. became the proud grandparents of a baby girl born to their daughter, Mrs. Bess Graham of Oakland. Mrs. Critchley left last Saturday to care for her little granddaughter, Patricia, who is at home waiting for mommie to bring her little sister there to keep her company. The Critchleys have been employed at Sandy Beach Hotel all summer.

Louise and Dan Anderson are to leave this Friday for a whole week in San Francisco where they will attend Grand Chapter of Eastern Star.

Mr. and Mrs. Clarence Schrader with their two young sons will spend the next six months in Los Angeles where Schrader has business interests.

Unadell Crawford is in Washington to welcome another grandchild into the home of her son, Harry, and his wife, Unadell, by the way, will be gone for a month. Jerome Little of Kings Beach was reported recovering following a recent operation.

Constable Dick Lavery of Kings Beach was called to Carnelian Bay Tuesday afternoon by the sudden death of Charles D. Pettit, 81, who apparently was the victim of a heart attack. A native of Ohio, Pettit was a retired accountant for the Standard Oil Company and was spending the summer at Tahoe from his home in southern California. He is survived by a daughter, Lydia D. Hogan, of southern California. Funeral services were scheduled to be held at the West Funeral Home Chapel in Colfax at 10:30 Thursday morning.

Leaves Meeks Bay—
Mrs. Jody Maher has left Meeks Bay to spend the winter at Palm Springs.

Hoerdler Leave—
Mr. and Mrs. Ernest Hoerdler have returned to Covina after a summer at Lake Tahoe.

TAHOE ROTARIANS
ALL SET FOR
BARBECUE PARTY

TAHOE CITY— Rotary Club of Tahoe City is making plans for a big joint barbecue with Brockway Rotary to be held this coming Sunday at Brockway's gun club, starting at noon and continuing all afternoon.

All Rotarians, their wives, children and friends are invited. Music, games and prizes will highlight the party and it is hoped that Truckee and South Tahoe Rotarians will also join in this get-together.

Also at Tuesday night's meeting of the Tahoe City club, several civic matters were brought up and committees were formed to look into them.

Future meetings of the Tahoe City Rotarians will be held at 7:15

600 Wildlife Predators
Eliminated in August

Nearly 600 predators were put out of business during August by state trappers and hunters, the California department of fish and game reports.

Nearly half—263—were coyotes, with 32 of them taken in Modoc County and 26 in Yuba County. Fifteen bobcats were bagged in Kern County and 15 foxes in Mariposa. Kern County also accounted for the biggest bag—20—of skunks.

The total bag included 65 bobcats, 67 foxes, 36 skunks, five bears and six mountain lions.

Our Town Wouldn't
Take a "Back Seat"

Well, the "battle of the buses" has been settled! Our town is again friendly with Balesville.

Everything started when buses began going through our town with a big sign on them saying SHOP IN BALESVILLE. The bus line is owned in Balesville and operates over here on a franchise.

Windy Taylor was all for putting up barricades—he kept calling up the police and the bus company. Finally Judge Cunningham invited the Balesville Chamber of Commerce to meet with ours at Andy's Garden Tavern.

Over a good meal and glass of beer we all reached a compromise without any trouble. Those signs now read SHOP HERE IN TOWN. Everyone's happy.

From where I sit, it shows how problems disappear once both sides get together and try to work things out. Naturally we're all a little different. Some like soda pop, for instance, and some like beer. So what? We all have to ride along through life together. Why not make it a pleasant trip?

How To Put New Life
Into Old Paper And
Metal Roofs.

There's no time like now for money-saving action on your roofing-paper and "tin" roofs. It's so easy to preserve your roof, keep it cooler with Standard Aluminum Asbestos Coating. Here's the routine we recommend for brush application:

1. Clean roof thoroughly.

2. Inspect for defects; if badly worn, re-roof.

3. If roof is secure, patch major holes and tears.

4. Stir Standard Aluminum Asbestos Coating thoroughly and apply with roofing brush.

5. Use long, easy strokes. One or two strokes over a given spot cause the material to flow out to a natural thickness. Further brushing results only in "balling" of the coating.

Standard Aluminum Asbestos Coating actually adds years of service to roofs. Call us about it today. We'd like to show you the service that has helped us grow in this locality.

SWANEE'S Tahoe Letter

Tahoe City, Oct. 5
Dear Tahoeites:
Marvelous weather still continues at Tahoe but unmistakable signs of winter are upon us, such as no more Sunday mail with the coming of October (until next May), the closing of the local stores on Sundays and earlier in the evenings, trucks full of Christmas trees passing occasionally, the departure of more summer residents with each passing day and the gorgeous autumn coloring which Nature is displaying along the shore and over mountains and vales.
Fishing continues good for many, both in the lake and in the back country streams and lakes.

Bud Scott jeoped back to Miller Lake today and came home with a limit of brook trout. While back there this afternoon he also discovered a fire which was gain- ing rapid headway and which he fought, with the aid of a vaca- tioner, for more than an hour. Some careless camper evidently had built a fire near a large dead stump and it had evidently smoul- dered for some time before again bursting into flame. The other man, unidentified, went to notify the forest service.

I have seen no bucks during the past week, either in the mead- ows or on hunters' cars. This appears to be the poorest hunting year for a long time. Don't even hear gunfire, which is most un- usual, as in other seasons many of the bigger ones were taken in easy walking distance of town.

Am the proud possessor of one of Frances Kirk's exquisite paint- ings, a brilliant scene of Mono Basin. Miss Kirk has returned to her home in Bishop after having spent the better part of the sum- mer in the Tahoe City area. She painted many pictures of the lake region during her stay and also conducted classes in sketching and painting. Many of her beau- tiful pictures were on exhibition at the Lake Tahoe-Sierra Chamber of Commerce office in town and

she sold all but a few of them be- fore her departure.

Returned from a four-day visit in Reno with daughter Marie to find a pile of mail awaiting me and letters from three well known former Tahoeites. They are the Carlton Valentines of Costa Mesa, Mrs. George Mawdsley of West Point and the Joe Duffees of Sacra- mento, for 39 years residents of Lake Forest, where they still maintain a home.

The Valentines wrote from New York where they had just arrived by plane to celebrate their 57th wedding anniversary September 28. They were to embark on a trans-Atlantic plane that after- noon, heading for London, due there at 10 a.m. the next morning.

Mrs. Mawdsley is the widow of Captain George Mawdsley, one of the last to pilot the famous old steamer Tahoe around the lake. She summers annually at their West Point summer home and had just been down to San Francisco where she visited the Eric Druhn (well known here when they worked for the Ralph Walkers at Sunnyside). They are both well and have just completed an addi- tion to their home in South San Francisco for his parents, who came over from Germany to make their home in the United States.

It was pleasant to hear from Irene Duffee, who, with husband Joseph, have been residing in Sacra- mento for the past two and a half years. They still have their daughter, Mrs. Charles Henrikson of Lake Forest, and her family here and the Duffees often motor up during the summer to weekend at their home here. They are plan- ning a weekend visit soon to see Mrs. Leta Hull, former Tahoeite who for years was in charge of the Tahoe City telephone office, and who now resides in Sebastopol where she owns and operates the Mode O'Day dress shop. The Duf- fees sent along a cheery hello to their many friends in this area.

Mrs. Ruth Droste of Tahoe Realty is looking forward to the visit she is planning at the home of her parents, Mr. and Mrs. John Roos of Canal Fulton, Ohio. She leaves by plane November 4 and will be joined there by other mem- bers of the family to observe the 80th birthday of her father. Mrs. Roos was 75 in September. The family get together will last for several days and will be cele- brated by a big dinner and open house.

Have been waiting patiently for my friend, Loren Holmwood, to give me the low down on his building project which will com- pletely transform the area on either side of the river banks be- tween the concrete bridge in town and the dam. Work has been pro- gressing steadily on preparation of the groundwork but I must wait a bit longer for specific infor- mation as to the buildings. One thing is certain and that it that

SUMMIT SCENE

by FRAN COUILLARD

Our chamber of commerce fold- ers are on the press with a 100% representation of businesses on the hill and in the area therein. Same should be in the chamber's hands for distribution to its tre- mendous request list by the 15th of the month. We all anxiously await this first piece of area ad- vertising which designates the complete harmony and cooper- ation of the business people on the hill in their first chamber pro- ject and predict another printing before the year is out.

Reporting on the American Le- gion wing ding at Ice Lakes last weekend, folks who were present say "it was the nicest party we've been to on the mountain." For the first time in many a moon we had a complete "dress up" party with no overalls, no jeans, no slacks—no nothin' as informal as our work clothes. All the best bibs and tuckers were taken out of the mothballs. Hairdoses and freshly lathered nails for the ladies brought them out of their work-a- day moods whilst the gentlemen even donned ties for the occasion. Cocktail hour for the 150 guests at candlelight time in the Pano- rama room overlooking beautiful Ice Lakes gave the occasion a wonderful send off. This was fol- lowed by an introduction of guests which included Owen Byers, chef de gare of the 40 and 8 in Cali- fornia; Andy Cordill, grand chef de train, California 40 and 8;

he will erect an aquarium on the north side of the Truckee River which will house all of the species of trout which are found in Lake Tahoe, along with some albino trout, a rarity indeed. He plans to paint a picture of each kind of fish with information regarding its habits and history beneath, to be placed on each tank, so that visitors at the dam may more fully appreciate the variety they can see darting about in the river throughout the summer season. Tons of heavy rock are being brought in and when the land- scaping and building are com- pleted, Tahoe City's most roman- tic spot will represent the realiza- tion of a cherished dream as seen through the eyes and heart of Holmwood.

Another group of local citizens worked on the fence at our little local cemetery today and it now is nearing completion. Additional help is still needed to finish before snow flies and anyone wishing to contribute his help may call Bert Anderson at Tahoe City 433. Ring off for the week with a cheery adios to all, as ever, Swanee

Charlie McGonagle, past national service officer; Donald Cooke, past department adjutant; Claude Shipley, USW service officer for Nevada. Congratulatory letters on the bulletin board came from National Commander Lewis Gough, Department Commander Bill White and Department Adjutant Gordon Lyons.

Last but not least were Mr. and Mrs. Dick Jones of Elverta, Calif., parents of the late beloved Harold Eugene (Buddy) Jones for whom this highest of moun- tain posts in California was nam- ed.

The newly elected officers were installed by Commander Don Ba- bayco and his team from District 6, Department of California. Fol- lowing the installation, the moun- tain witnessed its first dinner dance between courses of a com- plimentary and delicious buck stew prepared by Bill Rutherford. We join our neighbors in affirm- ing that this was the "nicest party ever held on the mountain."

Incidentally, a poll taken of the guests showed a representation of Legionnaires from Watsonville, Calif., to Fargo, S. D.

Pretty, blonde Maxine Tvede of Donner Ski Ranch bid one and all a cheerful adieu as she left to take her job as stewardess on a Scan- danavian cruise. "Max" will be gone for about a year.

A series of neighborhood parties at Kingvale Park feted Homer Bales and his pretty new bride. Homer, handyman and carpenter of Kingvale, has had his hammer and nails in most of the Kingvale homes and is one of the oldest residents in that delightful and beautiful little colony. "Call Homer has been the watchword of Kingvale for a long time and when he quietly slipped away a week ago Saturday to Reno cocktail parties were in order for the pair from Yuba City to Kingvale Park.

Papas and mamas came up the hill this past week to visit moun- tain children. Among them was Mrs. Walter Schuster from Car- mel who came to visit Maria and Jack Patten of the Ski Hive on Castle Creek. From Hanford came Mrs. Woffard's mother and dad to inspect Steen's Motel which the Woffards recently purchased. Mr. and Mrs. Felix Moriano from San Francisco wandered around Bea- con Hill Lodge with Elmo Mori- ano from whom they cannot stay away for long. Margot Nord- strom's mama will arrive some- time this week to spend a spell with the Nordstroms, whilst Ernie Tschopp's parents from San Francisco weekendend with Day Tschopp and her girls.

Mighty hunters (as well as per- sistent ones) are John Carl, Bill Gray, Ruby Allen and Jim Sher- ritt who still beat the brush to get in their season's kill. Whilst they hunt a big buck stands near the SP tracks back of Peg's Bea-

TRUCKEE CHURCH MAKE PLANS FOR FAMILY NIGHT

The Truckee Community Meth- odist Church will hold a Family Night supper in the new basement room of the edifice at 6:30 p.m. next Wednesday night, October 15.

"The local Community Church wishes to welcome you all to this evening of fun and fellowship," said Rev. A. A. Carmitchel in making the announcement. "This is for the whole family and we want you to come with a covered dish and enjoy the evening."

Part of the program will be singing of old songs and the film, "Crossroads" and a comedy, "Dog Wanted," will both be shown. "Crossroads" is the story of a typical American boy who is faced with a decision for his life work. The crisis and solution compose most of the picture and reveals what parents can do to guide their children.

State Exams Scheduled for Game Wardens

SACRAMENTO—(C. N. S.)—The state personnel board has an- nounced a civil service examina- tion December 6 for fish and game warden candidates. Appli- cations must be filed before No- vember 15.

The position pays from \$310 to \$376 monthly, depending on ex- perience and length of service. Candidates must be able to swim 100 yards and row a boat, in ad- dition to other qualifications.

con Hill Coffee Shop and gives them the Bronx cheer whilst they do their beating. In fact, said buck awaits the hunters presence in coffee shop and then proceeds to give them buck fever as he calmly gazes at them, sans gun, through the coffee shop window. We worry that he might be a bit too brazen.

Intimate friends of the Bill Lewises of Norden picked out their 15th wedding anniversary for their own wedding day. Bill and Alice made the trek to Reno with said friends. "Twas a nice compliment to 15 years of married life when they took their own marriage vows over again—com- plete with Alice's new suit, cor- sage and the works. "We're going to take the vows again the next 15 years anniversary, too," say Alice and Bill. The Lewises also hosted a reception at Truckee's Capitol Hall on September 28 for the newlyweds — Mr. and Mrs. James Carey, the bride the former Rosemary Sullivan.

SUPPLEMENTAL PROCEEDINGS OF THE BOARD OF SUPERVISORS FOR SEPTEMBER, 1952

September 26, 1952
The Board of Supervisors of the County of Nevada, State of California, met this day in special meeting, pursuant to the call of the Chair at 10:00 A.M., there being present and answering to their names the following:

Supervisors Carl J. Tobiasen, Frank J. Rowe, J. C. Coughlan, Guy N. Robinson, Henry G. Loehr. Absent Supervisors: None.

This being a special meeting called for the purpose of filling the vacancy in the office of County Superintendent of Schools, caused by the sudden death of Walter A. Carlson, each supervisor, when asked by the Chairman, answered and individually waived written notice of the meeting.

The minutes of the meeting of September 17 were read and no errors or omissions being noted, were duly adopted as read by the Clerk.

Two applications for appointment being on file with the Clerk, the Chairman ordered both be read aloud to the Board. Thereupon, the Clerk read the applications of Doris E. Foley and E. Lee Ross.

On motion of Supervisor Tobiasen, seconded by Supervisor Coughlan, and unanimously carried, both names were placed in nomination, and the chairman directed that a vote be taken by roll call, the Clerk calling the names of each member in alphabetical order. The result of the balloting is as follows:

Supervisors voting for Doris E. Foley: Tobiasen, Rowe and Loehr.

Supervisors voting for E. Lee Ross: Coughlan and Robinson.

Doris E. Foley, having received a majority vote of the Board, was declared appointed to the office County Superintendent of Schools for the unexpired term of Walter A. Carlson, deceased.

On motion of Supervisor Tobiasen, seconded by Supervisor Robinson, and unanimously carried, it is ordered that the official bond of Doris E. Foley as County Superintendent of School be set at \$5,000.00.

On motion of Supervisor Tobiasen, seconded by Supervisor Robinson, and unanimously carried, it is ordered that the sum of \$7700.00 be transferred from the General Reserve fund to the Salary fund as a loan.

By unanimous consent of the Board, Supervisor Rowe is excused from attendance at the Board meeting on October 1st in order that he may attend a meeting of Special Committee on Assessment Practices at Hoberg, California.

Nothing further to come before this special meeting, adjournment is taken at 11:20 A.M.

R. E. DEEBLE

County Clerk and Ex-officio Clerk of the Board of Supervisors.

STATEMENT OF OWNERSHIP, MANAGEMENT AND CIRCULATION REQUIRED BY THE ACT OF CONGRESS OF AUGUST 24, 1912, AS AMENDED BY THE ACTS OF MARCH 3, 1933, and JULY 2, 1946 (Title 39, United States Code, Section 233) Of Sierra Sun and Truckee Republican published weekly at Truckee, California, for September 30, 1952.

Tahoe-Sierra Chamber to Have Halloween Party

TAHOE CITY— Denis Sach, program chairman of the Lake Tahoe-Sierra Chamber of Commerce, announces a gala Halloween costume party will be given at George Canon's Gateway Club near the south Stateline October 31. The public is invited to attend but all ladies must bring box suppers, which will be auctioned off during the evening, the pro-

Work Progresses on Fence at Tahoe Cemetery

TAHOE CITY— The new fence which has been donated by the Truckee-Tahoe Lumber Company and Snyder Lumber Company is almost completed around Tahoe City's little cemetery, midway between the golf course and Fairway Drive. On Sunday the following men donated their services in getting the task further along before snow flies: Bert Anderson, Pineland contractor who is in charge of the project; Max Porter and son, Bobbie; Leonard Bury, Norman Dewhurst, Mr. Jorgensen of Pineland, Howard Guth and Charles Cross Jr. More help is needed and those willing to contribute may call Anderson at Tahoe City 4J3.

ceeds of these and half of the proceeds from the club's entertainment facilities will be given to the chamber. There will be awards for the best costumes and dancing.

MAIN TELLS ROTARY OF PROBLEMS FACING T-S CHAMBER

TAHOE CITY— The Tahoe City Rotary Club at its September 30 luncheon heard Fred Main, president of the Lake Tahoe-Sierra Chamber of Commerce, report on the problems and progress of that organization.

Main told the Rotarians that Greyhound lines are putting out 16,000 maps and 137,000 calendars with pictures of Tahoe one them; that several Reno hotels, General Motors and airlines are also showing Lake Tahoe on their advertising.

He also brought up the problem of fish in the Truckee River if and when reclamation dams are built and emphasized its importance to Lake Tahoe. Main expressed his belief that the chamber should have an all-year office.

Denis Sach presided at the session and Fred Kilner was program chairman.

2 JET FIGHTERS NOW NEED AS MUCH FUEL AS ENTIRE WORLD WAR II SQUADRON

Two of today's high speed jet fighters use as much fuel as an entire World War II fighter squadron. In peace or war, U.S. oilmen have kept ahead of sky-rocketing military demands as well as ever-mounting civilian use of oil.

This is one of the reasons we're proud to be part of the competitive, progressive oil industry that brings you the world's finest oil products at the world's lowest prices. This is your assurance that we'll continue to serve you and the nation well.

That the address of the vendor is Truckee, Nevada County, California, and the address of the vendee is Truckee, Nevada County, California. Dated October 8, 1952. CHARLES V. OSBURN, Vendor. HENRY deFLUITER, Vendee.

SALVATION ARMY COMMITTEE BUSY

Sr. Major Ruth B. McCann, welfare supervisor of the rural and extension service for the Salvation Army, conferred with local board chairman N. F. Dolley last week relative to the army's local program.

She advised committeemen here that the Truckee and Lake Tahoe district fund is rather substantial and being administered well, paying tribute to the committee for its work. Half of the money collected in this district is used for local welfare needs and projects, the balance going to the army's hospital, children's home and other worthy programs, Major McCann said.

Other members of the committee include Roy Elf, treasurer; E. V. O'Rourke, welfare secretary; Mrs. I. J. Firpo, Mrs. Elizabeth Bavier, R. E. Saunders, Walter M. Barrett and R. N. Little.

Business in City—

Mr. and Mrs. V. C. Shattuck were San Francisco visitors this week, billing first run pictures for their Donner Theater.

Visits Friends—

Mickey Hagstrom of Redding was visiting local friends Wednesday.

Marilyn Pearson Is On Teaching Staff

Word from the Verne Pearsons at San Luis Obispo, where Pearson is employed as roadmaster for the Southern Pacific, following his transfer from Truckee several years ago, advises that their youngest daughter, Marilyn, has graduated from San Jose State College with her A.B. degree and teaching credentials and is now teaching third grade at the Fremont School in San Luis Obispo.

The eldest daughter, Betty, is married and lives at San Bernardino with her husband and son and daughter, while Verna is at Del Paso Heights with her husband, son and daughter.

The Pearsons were active in the life of the community when they resided here and will be remembered by scores of friends.

Goes to School—

Eugene Gini, son of Mr. and Mrs. G. Gini, is visiting here briefly en route from his ship to attend a specialists' school in the Navy, after which he returns to his repair ship.

Anniversary—

Mr. and Mrs. Jack Ellis tomorrow, October 10, will observe their 10th wedding anniversary.

FURTHER DELAY IN BRIDGE PLAN

Road Commissioner J. F. O'Connor told the board of supervisors this week that the state engineer's office had not yet given the approval needed to supply state matching money for construction of a new bridge at Floriston.

To avoid delay as far as possible, the supervisors authorized O'Connor to advertise for construction bids as soon as approval was received and OK'd by District Attorney Vernon Stoll.

The old Floriston bridge was carried away in a Truckee River flood in November, 1950.

LOCAL MEMBERS AT LODGE MEET

Twelve members of Summit Temple No. 79, Pythian Sisters, Friday, September 26th, drove to Colfax District No. 8 convention taking with them three candidates, Bethel Conyer, Esther Young and Ruth Peden.

Summit Temple exemplified part of the work including the initiatory ceremonies, with the staff putting on the degree work. Grand Chief Myrtle Hagen made her official visit.

FOLK DANCE CLUB AT DONNER LAKE

The San Francisco Scandavian Folk Dance Club will hold a folk dance on the open air dance floor at Donner Lake Lodge on Saturday evening, October 11, bringing their music and will execute the gay steps in costume.

There will be no charge to those who wish to see or participate in the dancing and all interested are invited to attend the event.

Knights of Pythias Will Welcome Nevada Group

Summit Lodge No. 54, Knights of Pythias will welcome a delegation from the Reno lodge at the local meeting tomorrow night at 8 o'clock. Refreshments will be served following the meeting at the IOOF hall. Chancellor Commander Hes Cardinal urgently requests all local members attend.

FULFILLING HIS BARGAIN WITH THE ARABS, THE SAVAGE OGAR ATTACKED THE WHITE MEN'S CAMP, DISTRACTING THEM FROM A SEARCH FOR THE ACTRESS, IRENE WEBB.

THEN JOHNNY RINGO, PANIC-STRICKEN BEYOND REASON, SNEAKED AWAY FROM HIS FELLOWS AND STUMBLED BLINDLY THROUGH THE FOREST.

LATER HE COLLAPSED, SOBBING, GASPING FOR BREATH--UNAWARE THAT HE LAY IN THE PATH OF OGAR AND HIS MEN, RETURNING FROM VICTORIOUS BATTLE!

"TAKE HIM TO THE VILLAGE!" SCREAMED THE CHIEF. "WE MUST BURN HIS COWARDLY SPIRIT, SO THAT NO BRAVE WARRIOR WILL BE INFECTED!"

RINGO WAS DRAGGED THE SHORT DISTANCE, THEN TIED TO A STAKE WHILE HYSTERICAL NATIVES PILED FAGGOTS AT HIS FEET. INSTANTLY THE VILLAGE DRUMMERS SET UP A WEIRD CRESCENDO, SENDING NOTES OF DEATH THROBBING THROUGH THE JUNGLE.
